

PRESIDENT DONALD J. TRUMP

Wednesday Morning

Dear Fellow American,

I need your help and I need it NOW.

The Radical Left Democrats led by Joe Biden, Nancy Pelosi, and Chuck Schumer are ramping up their massive non-stop propaganda campaign and bogus witch hunts to destroy me and our Republican Party. Their irrational hatred is on display 24/7 as they nitpick my every action and use the horrible Coronavirus pandemic and mob disorder as ploys to enact their Big Government Socialist agenda.

They are doing everything they possibly can to take control of our country so they can enact their Big Government Socialist agenda that would raise taxes, take away our personal freedoms, greatly expand government, open our borders, permit radical extremists to set America's overall agenda, weaken our military and national security, and pack the federal courts with Liberal judges who will decimate our Constitution.

Working with the Liberal mainstream media they are trying to discredit me with ridiculous and false accusations by spreading their fake news and making it appear that I do not have the support of America's voters by flaunting bogus polls and ignoring the truth.

It is truly unbelievable!

Knowing that, we cannot forget that right up to when the Coronavirus dealt its devastating blow to our country, our economy was performing at record levels.

With your help and support today, I know that I can lead our nation back from this health and economic crisis and once again have a booming economy and record job creation. Together we will fight for my America First Agenda that will make our nation greater than it was before!

To keep America on track to remain the greatest nation in the world, we must work together from now until November 3rd to expose Joe Biden and the Radical Left as the out-and-out frauds they are – and get the TRUTH to America's voters.

That is why I commissioned the enclosed **2020 KEEP AMERICA GREAT SURVEY**. To ensure the success of this project I need you to complete your Registered Survey and return it to me immediately.

This National Voter Opinion Poll is the largest and most important undertaking launched by my campaign. Unlike the polls the Democrats and the media put out daily that contact only 1,000 people or less, our objective is to reach out to more than 20 million people to prove that my agenda has the support of the citizens of our country and to get the real truth about my accomplishments out to all Americans.

Your answers will be instrumental in proving to the mainstream media, the Liberal naysayers, and the sinister anti-Trump forces that the majority of Americans believe in my agenda and that they want me to continue to lead the way in solving our nation's critical issues.

To have any chance of succeeding in reaching so many people, we must raise \$8.5 million in the next 30 days. That is why I urge you to join me as a core member of my 2020 re-election team by including a generous contribution of \$35, \$50, \$100, \$250, \$500, \$1,000, \$5,000, or whatever you can send at this time.

(Over, please)

I cannot overstate the urgency of this project and your immediate participation in it.

The Democrats and their cronies prove every day that they will do ANYTHING to win the White House. If they and the Liberal media are allowed to continue to dominate the national news with made-up accusations about my Administration – distracting Americans from my accomplishments and the real situations our nation is grappling with – they could succeed in defeating me and capture complete control of our great country.

As you know, when I ran for President, I promised to act on the major problems facing our nation – the problems that you and millions of Americans had been demanding be addressed. Today, I'm proud to say that, with your help, I've delivered on the bulk of those promises.

Since I was sworn in as our nation's 45th President, we passed the largest tax cut in America's history. The size of the federal government is being reined-in, and we are moving forward to fix our nation's illegal immigration crisis, replace our aging infrastructure, reform our nation's broken health care system, tap into our country's huge energy assets, rebuild our military, and put our nation on a strong path to success for years to come. And now my Administration is leading our nation through the biggest health and economic crisis of our lifetime.

Joe Biden, Nancy Pelosi, and Chuck Schumer along with all the other radical Liberals are going all-out to sell the American people their Big Government Socialist laundry list of break-the-bank, costly Left-wing ideas. These include universal income, "free" national health care for all, open borders for all immigrants, support for sanctuary cities, slashing U.S. military spending, government-paid college tuition for all, dangerous abortion policies, massive government programs with incalculable costs, and a Big Government "tax the rich" agenda that will deliver a giant blow to our nation's economy.

Shockingly they also want to censor, muzzle, and shut down conservative voices, defund our nation's police departments, lower the voting age to 16, pack the Supreme Court, and abolish the Electoral College – one of the basic principles of our Republic.

And on top of that, they are using the funds of their Leftist Radical billionaire allies like George Soros, Michael Bloomberg, and Tom Steyer to rig the November elections – from calling for all ballots to be cast by mail, to same day registration, to requiring no ID to vote.

If the Democrats win the White House, Joe Biden will lead our nation down the same destructive path as Barack Obama by decimating our nation's military while weakening our position in the world by letting Russia, Iran, and China all have their way. Joe Biden supported the terrible Iranian nuclear accord that would have allowed Iran to build a nuclear bomb, and for 40 years he has supported trade deals with China that have destroyed American jobs – just the opposite of my America First Agenda that wants to bring critical jobs back home to America.

WE CAN'T LET THAT HAPPEN! I WON'T LET THAT HAPPEN!

But I cannot win this battle alone. And because I won the White House by listening to hard-working men and women across the country – I am determined to continue to do just that.

So please, after you've finished reading my letter, take a few moments to complete your **2020 KEEP AMERICA GREAT SURVEY** and mail it back to me as soon as you can.

I know you fully understand all that is on the line in this election. The media and the Democrats have been engaged in a corrupt partnership, trying to impose their will and to thwart American democracy by any means necessary.

(Next page, please)

We Republicans are advocating clear, realistic, workable solutions to our nation's problems, and are charting a new course and opening new opportunities for all Americans.

Meanwhile, Joe Biden, Nancy Pelosi, and Chuck Schumer, and all the other Self-Serving Democrats take to the media daily to LIE... ATTACK... and OBSTRUCT. They know they'll lose big if the American people find out the truth – and the costs – of their dangerous Big Government Socialist plans.

It's important to also understand that as the Big Government Socialist Democrats work overtime to take me down – they are working to take YOU and our country down as well.

This SURVEY is designed to get your feedback on my policies as we work to deal with the circumstances we face as a nation. I want to make sure your voice is heard and that we stay on track to confront and deliver the critical changes our nation so desperately needs.

I take great pride in the fact that working together we have made major progress in Making America Great Again. But there is still much to do as we confront the following issues to KEEP AMERICA GREAT:

Economy – The Coronavirus dealt a horrible blow to our economy. Under my Administration we had built the greatest economy the world has ever seen, and I know I can do it again. Tax reform, fewer regulations, job creation, bringing manufacturing back to America so we are not reliant on any nation for critical supplies, and a renewed confidence in our nation's economic future is what is needed to get America back on track. Do you agree that such policies are the right formula to turn our economy around up against the Democrats' plan to force their Big Government Socialist agenda on our nation?

National Security – The threats posed by domestic and international terrorists; the growing reality of cyberattacks on our nation's government, businesses, and infrastructure; instability in the Middle East; the growing influence of Russia, Iran, and China; and China's irresponsible handling of the Coronavirus all demand solid leadership. Do you support my efforts to do everything we can to protect our country and maintain America's proud and strong position in the world that we have rebuilt after the disastrous policies of Obama-Biden?

Strengthening America's Military – A full-fledged commitment to a strong military is more important than ever in today's environment of increasing conflicts across the globe and the military build-up of Russia and China. Do you stand with me in backing a proactive military build-up for readiness in every aspect of defense to ensure the safety of America from any and all threats?

Build the Wall and Immigration Reform – We will never solve our nation's immigration crisis without taking bold, decisive action. Are you in favor of building a border wall, establishing merit-based immigration, reducing the number of legal immigrants permitted into our country annually, and other measures that will result in a national immigration program that serves America's interests first and foremost?

Appointing Conservative Judges – To date, I have appointed a record number of federal judges to U.S. courts all across the country, including Supreme Court Justices Neil Gorsuch and Brett Kavanaugh. In the next 4 years there will possibly be two or more appointments to the Supreme Court. Joe Biden's choices would radicalize the Court to achieve the far Left's agenda. Do you support my efforts to build a federal court system around men and women who will strengthen – not erode – our nation's core Constitutional principles?

(Over, please)

Less Government Across the Board – Joe Biden’s and the Democrats’ dream of creating a Big Government Socialist America will mean bigger and costlier government – along with sky-high taxes to pay for their programs. I am determined to implement “less government across the board” – policies that will get federal bureaucrats out of our business and personal lives. Will you stand by me in this effort?

These are all serious issues that affect your everyday life and your future. That is why it is important for me to know what YOU think. So please complete and return your survey immediately.

At the same time, I hope I can also count on you to send a special contribution of \$35, \$50, \$100, \$250, \$500, \$1,000, or even \$5,000.

Your generous contribution will help fund the war chest we must put together NOW to fund my re-election campaign to battle back against the billions of dollars the Democrats are spending to defeat me. It will also help with the distribution of millions of my KEEP AMERICA GREAT SURVEY to households across the nation.

The more I can tap into grassroots America by reaching out to people like you – and continue to build a strong foundation for success – the greater my chances for victory in November and our chance to lead the greatest comeback in the history of America!

And the sooner we can tabulate the results of this survey, the sooner we will be able to **clearly show the Democrats, their allies in the media, and the anti-Trump forces that the majority of Americans support my agenda and are working to ensure I am re-elected.**

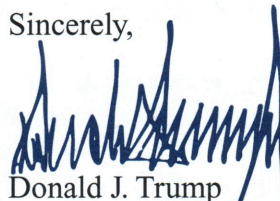

I’m going to be fighting this battle every day in the months ahead. I’m fighting for everyone who believes in the freedoms, values, traditions, and principles that have made our nation the greatest in the history of the world.

Knowing that you are standing by my side working just as hard to ensure that I remain in the White House will mean a great deal to me.

So please take a minute right now to complete your **KEEP AMERICA GREAT SURVEY** and return it to me along with your check or credit card contribution of \$35, \$50, \$100, \$500, \$1,000, \$5,000, or whatever you can afford at this time.

I need you with me – every step of the way. Please let me hear from you soon.

Sincerely,

Donald J. Trump
President of the United States

P.S. I need your personal involvement and I need it NOW! To keep America on track to remain the greatest nation in the world we must fight together from now until November 3rd to expose the Radical Left as the frauds they are – and get the truth to the American voters. So please, I urge you to complete your **KEEP AMERICA GREAT SURVEY** and return it with a generous contribution of \$35, \$50, \$100, \$250, \$500, \$1,000, \$5,000, or whatever you can send today. Thank you for your support.
